

STUDENT SNACKS ELECTION ACTIVITY

Coordinate with schools to bring in 2+ types of school-approved snacks (funded by Let's Vote WI)

INTRODUCE SNACKS TO STUDENTS

Each student should be provided with paper and markers to create a campaign flyer for the snack of their choice.

STUDENT PRESENTATIONS

Students can now volunteer to present their flyer/argument for why their snack should be voted for.

COLLECT "VOTER REGISTRATION" FORMS/HAND OUT BALLOTS

Registration forms should have previously been filled out (if not, hand out forms now)

Students should have learned the term "ballot" in an earlier activity.

VOTING!

Students will now fill out their ballots and drop them in the designated ballot box. Hand out "I Voted" stickers!

COUNT BALLOTS/ DISTRIBUTE SNACKS

Note: young students may be upset about not getting the snack of their choice. No worries, just give them the snack they voted for instead.
